

The 908 App

The best way to connect your business to the residents
of Long Beach.

The Problem

Local marketing is tough. You need a way to show potential customers who you are and why they should support you without breaking the bank.

Our Solution

Creating personalized content about your business and distributing it online to the residents of Long Beach.

Positive, interesting, regularly scheduled content.

Our Offer - Just \$30/mo!

For just \$30 dollars a month (\$90 per quarter) your business gets the quarterly content it needs!

That's 4 articles per year published on our 908 App, website and shared on all social media platforms. We write, produce, photograph and publish each article about your business.

The Packages

Two Options Currently Available:

Baseline Article Plan: \$30/month - 4 articles a year

Baseline Video Plan: \$50/month - 2 articles & 2 videos a year

Our marketers/writers are specialists in creating positive, authentic content about your business.

Distribution

Getting your content in front of the right eyes is extremely important. How do you target the right customers online without breaking the bank?

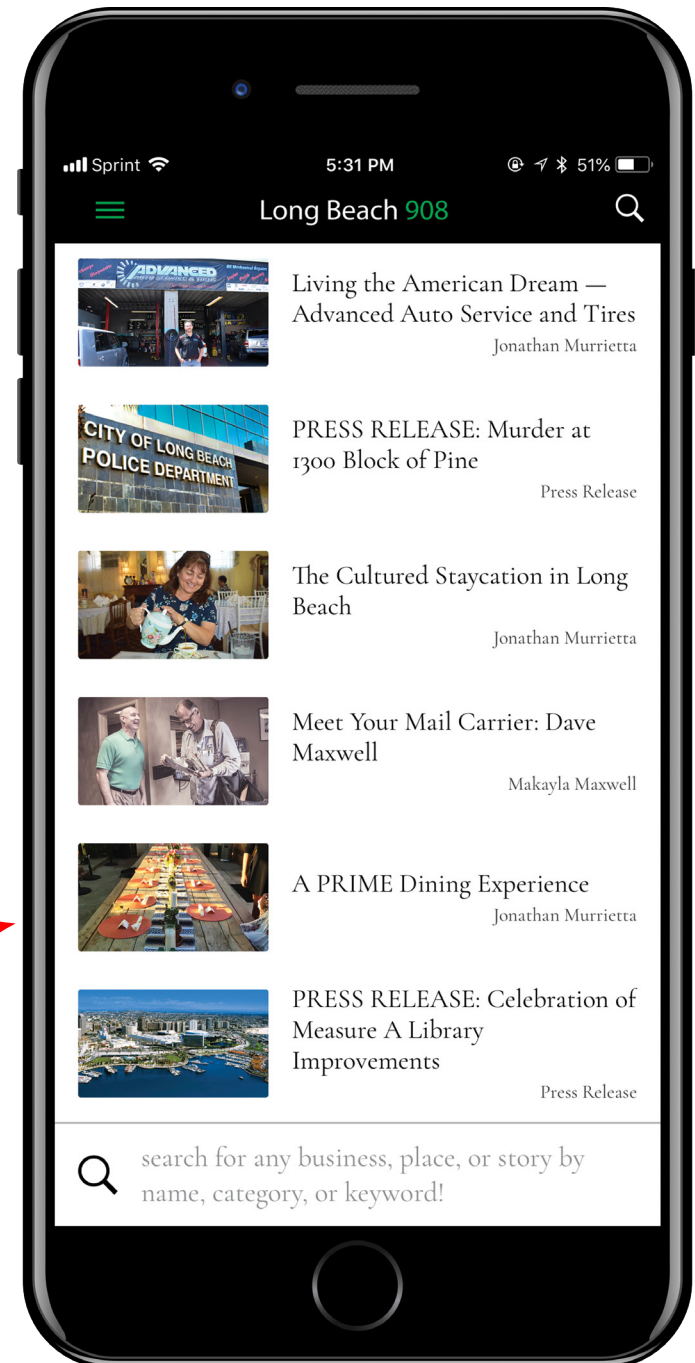

908 content is distributed methodically through three platforms with the potential to reach hundreds of thousands of Long Beach residents.

Distribution Platform #1: The 908 App/Website

With thousands of impressions a day and growing, the 908 app is read by local residents interested in supporting and being involved in their community.

Your content shows up in the middle of our daily content scroll which includes:

- Featured stories
- Videos
- Interviews
- Things to do
- Press releases
- Business paid content
- And much more!

Distribution Platform #2: Social Media Sharing

We share all content across our social media platforms reaching thousands of Long Beach residents.

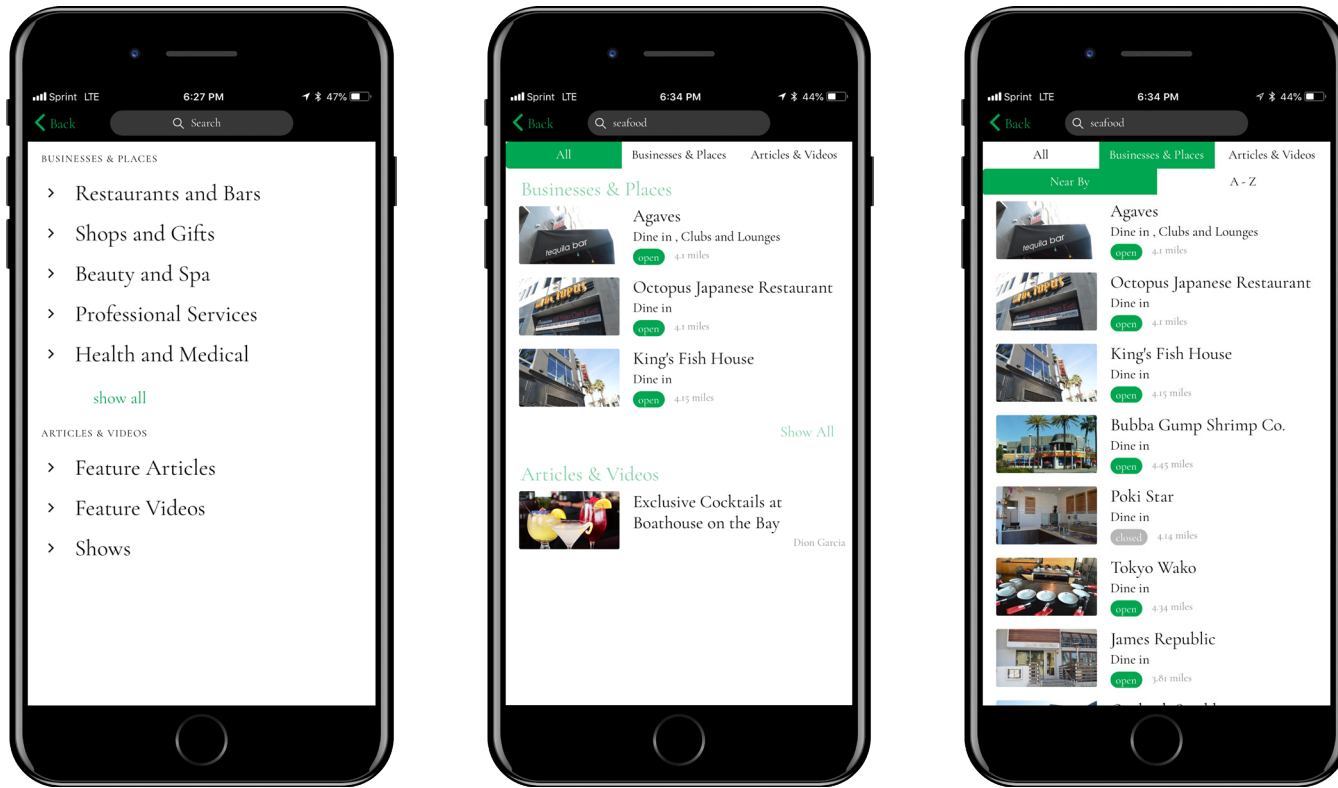

Plus you can share the content across *your* social media platforms reminding existing customers/clients what makes your business great.

Share it across all platforms!

@LB908

Distribution Platform #3: The 908 Search Engine

We've created a local search engine that runs on keywords & categories. Keywords are attached to your content, so more content makes your business more searchable.

As our App grows its user base in the community people will use this search engine as a resource to find whatever they're looking for at a moment's notice.

Getting Started
